Administrative History
Campus Programs is an office in Office of the Vice Chancellor for Student Affairs, and within the
Department of Campus unions. The office of the Vice Chancellor works to "create a student body
that reflects the diversity of Illinois, facilitate graduation through special programs and services,
and establish a positive and diverse learning environment that is necessary to expand student's
lives." The purpose of campus programs is to be a resource for cultural, educational, social, and
recreational programs. This is accomplished through student organizations and events. Currently
there are over 300 student organizations on campus. Some of the main events held by Campus
Programs include college bowl, cultural fest, fashion show, fun fair, craft show, exhibits, Friday
night live, and taste of UIC.

collection also includes information and flyers about specific center programs, and a chronological
listing of campus programs events and their publicity and advertising. Also included are some
